READING INSTRUCTIONAL STRATEGIES

Resources for Adult Educators

This collection of video segments produced by KET provides resources for teaching reading in the adult education classroom. In this collection, you will find individual lessons tailored to teaching specific strategies such as questioning, repeated reading, and summarizing. You will also find suggestions for choosing texts that are appropriate and interesting for adult learners. Each resource contains a video clip accompanied by a printable background essay and suggested discussion questions.

Folktales of the World

A folktale is a story or legend passed down from generation to generation. Often these stories are used to teach young people about their culture. They are also used as cautionary tales. In this collection, there are traditional folktales told in their native languages as well as English.
